Congratulations! You have been personally recommended for membership into Edgewood Country Club. The most successful private clubs are those built around the foundation of enduring relationships and social camaraderie between friends and associates. With that in mind, we are embarking on a campaign in which we are asking our current members to assist us in identifying those individuals whom they feel will properly embrace the culture and tradition of our club and personally invite them to join.

By receiving this personal invitation, you are invited to participate in our Preview Membership Initiative, giving you the opportunity to preview the club and experience one of the most family oriented private clubs in the area. The preview opportunity allows you to join the club without the payment of an upfront initiation fee, with the obligation of committing to a preview membership relationship through May 31, 2020 (applicable dues, fees and charges will apply).
